## **Police Officers Needs Assistance!**

**A “Police Officer Needs Assistance” call has been broadcast for the police officers in the Great State of Texas as result of Hurricane Harvey. The Greater Cincinnati Law Enforcement community is responding to the call for assistance and we need your help. The law enforcement officers involved in the response, rescue and recovery efforts are facing challenges rarely encountered in a career. These include the loss of their homes, property and the displacement of their families.**

**The Greater Cincinnati Law Enforcement community has extended offers to temporarily host law enforcement families during the next several months and to assist in purchasing and supplying boots, socks and undergarments to our brothers and sisters in Texas.**

**We are asking each active and retired law enforcement officer in Hamilton County to donate \$25.00 to the Greater Cincinnati for Texas Law Enforcement Families, Hurricane Relief Fund.**

**Donations can be made at any branch of the Cincinnati Police Federal Credit Union or mailed to the Fraternal Order of Police Queen City Lodge 69 at 1900 Central Parkway, Cincinnati Ohio 45214 or the Amberley Village Police Department at 7149 Ridge Road, Amberley Village, Ohio 45237**
